

# CAPA is Useful and Relevant Because it Has the *Most Valid* Scales

*Validity* to a psychologist is  
the *meaning* or *implication* of a score on a scale.

We would expect Helping Confidence  
would be one attribute of Psychology Majors

# CAPA research shows the ingredients that distinguish *Psychology Majors*

These are the ingredients of the  
*Psychology Interest and Confidence Sweet Spotters*

# The Sweet Spot for Psychology: Interest and Confidence
